

## **Elliot Nicholls**

Elliot has a keen interest in achieving excellent outcomes for the children, families and staff at the school and has served on the School Board and its previous forms since 2011.

As a parent with multiple children attending the school over the last eight years, Elliot can readily identify with what it means to be a parent with children at the school, including some of the challenges that can arise.

Professionally, as an engineer with a finance degree, Elliot has experience across a wide range of industries, including Information Technology, Resources, Electronics, Materials, Investment, Corporate Finance, Health, Education and Telecommunications from management to board level.

As a parent representative on the board, Elliot welcomes your feedback and concerns through the School Office.
