

Shane Highman

Shane is a director of a Mount Pleasant based civil engineering consultancy. He is a nationally registered engineer and has over 20 years experience in infrastructure and land development. Shane is active in his industry and is a member of two infrastructure committees.

Away from work, Shane is keen swimmer and is a member of a local water polo club.

Shane has two daughters at Mount Pleasant Primary and a son who will attend in a few years.

Shane is the 2017 Board Secretary and his objective is to support the school to ensure all students achieve their goals.
